Book Synopsis:

When life brings you the perfect person at the worst possible time...On a weekend visit to Las Vegas to visit his brother, Marine Braeden Daniels meets a woman who challenges him in ways he can't deny. The best part is she wants what he wants. No strings. No feelings. Just fun. AJ is a Las Vegas performer who is finally living her dream. Growing up poor, she's determined to succeed at any cost. No one will stand in her way—not even a hot Marine who breezes into her life all confidence and a cocky smile. A few stolen weekends and neither can deny the feelings quickly growing between them. But the obstacles that keep them apart become more devastating when the Marine Corps calls Braeden away for a six-month deployment. It's only six months. What could possibly happen?
