Book Synopsis:

Caught between a father's desire for vengeance and his partner's moral compass, will Royce turn the rivers of Rochelle red? When his daughter mysteriously disappears and is presumed dead, wealthy whiskey baron Gabriel Winter seeks revenge. Having lived in Colnora during the infamous Year of Fear, he hires the one man who can deliver a bloody retribution—the notorious Duster. Ride with Royce and Hadrian as the cynical ex-assassin and an idealistic ex-mercenary travel to the mysterious old-world city filled with nobles claiming descent from Imperial aristocracy. Riyria's job appears easy: discover what happened to the missing duchess and, if alive, bring her home...if not, punish those responsible. But nothing is simple in the crowded, narrow, mist-filled streets of Rochelle where more than one ancient legend lurks.
