Book Synopsis:

When ex-Special Ops bad-ass Mace walks into Needle's Kiss tattoo parlour, he never expected to find the girl who would turn his life upside down. Hard as nails Scarlett has been unlucky in love: she's been burnt, chewed up and spat out. Reluctant to have another relationship, can she keep her wits about her when hot-as-sin Mace walks into her tattoo parlor? Or will he break her down and leave his mark within her ink? *What starts out as a little fun, turns into something so much more.* Can Scarlett look beyond Mace's devastating past or will his demons come back to haunt them both? Content warning: contains steamy, anywhere-goes sex, an alcohol induced embarrassing night out and two headstrong lovers taken on a whirlwind of crazy.
