

READ Saving Abel (Rocker, #1) by Gina Whitney [KINDLE]

Book Synopsis:

Abel Gunner, the lead singer of the band Lethal Abel, is what beautiful nightmares are made of. His gritty, melodic rasp threatens to rip your heart out of your chest and leave you gasping for the very breath he robbed you of. His kisses, detonating on impact, leave you ruined. Abel is also a Dom, and his appetite for seduction is legendary and intense. After a chance encounter with Gia, his need to dominate this woman increases tenfold. He wants to consume her, merge with her, and never leave her body. Abel's emerald eyes touch the deepest part of Gia's soul in a way that terrifies her. She fears he can see her secret. Lies, guilt, and betrayal lay beneath her skin, and she's terrified of being exposed. How will Gia ever begin to explain? She doesn't believe she's worthy of him, and her greatest fear is that her carefully guarded heart will be shattered. However, she finds herself unable to deny this rogue tattooed rocker whose kisses just might ruin her. *Warning: Written for mature audiences 18+ Includes: Possessive Alpha Dom Rocker, profanity, detailed sexual encounters, alcohol, drugs, BDSM themes, and cliffhanger.*
