Book Synopsis:

Grant Carter did everything in his power to convince Harlow Manning that he was a good guy. More than a smooth-talker and someone she could trust. He had to overcome his reputation as a playboy, and his history with Harlow's half-sister, Nan, a woman with a reputation of her own. Harlow had taken the chance, falling hard and fast for the guy who thrilled her with his all-consuming desire. After a lifetime of avoiding bad boys like Grant, she had opened herself to the possibilities of love...But a life-changing secret has torn them apart, and now Grant and Harlow must decide if they have enough fight to make it work - or if the pain of betrayal has permanently destroyed their future.
