Book Synopsis:

A boy with extraordinary powers. An army of deadly monsters. An epic battle for the future of peculiardom. The adventure that began with *Miss Peregrine's Home for Peculiar Children* and continued in *Hollow City* comes to a thrilling conclusion with *Library of Souls*. As the story opens, sixteen-year-old Jacob discovers a powerful new ability, and soon he's diving through history to rescue his peculiar companions from a heavily guarded fortress. Accompanying Jacob on his journey are Emma Bloom, a girl with fire at her fingertips, and Addison MacHenry, a dog with a nose for sniffing out lost children. They'll travel from modern-day London to the labyrinthine alleys of Devil's Acre, the most wretched slum in all of Victorian England. It's a place where the fate of peculiar children everywhere will be decided once and for all. Like its predecessors, *Library of Souls* blends thrilling fantasy with never-before-published vintage photography to create a one-of-a-kind reading experience.
