Book Synopsis:

Special Edition: Includes new material and an afterword by the author. *Once upon a time... as a fair maiden lay weeping upon a cold tombstone, her heartfelt desire was suddenly made real before her: tall, broad of shoulder, attired in gleaming silver and gold, her knight in shining armor had come to rescue his damsel in distress...* Jude Deveraux's dazzling bestseller greets a new generation--with this special edition featuring new material. The thrillingly romantic tale of thoroughly modern Dougless Montgomery, left alone and brokenhearted in an English church, and the sixteenth-century hero who carries her heart away, *A Knight in Shining Armor* is a story for all time, and for anyone who believes in the power of love... Abandoned by her lover, thoroughly modern Dougless Montgomery finds herself alone and brokenhearted in an old English church. She never dreamed that a love more powerful than time awaited her there... until Nicholas Stafford, Earl of Thornwyck, a sixteenth-century knight, appeared. Drawn to him by a bond so sudden and compelling that it defied reason, Dougless knew that Nicholas was nothing less than a miracle: a man who would not seek to change her, who found her perfect just as she was. But she could not know how strong were the chains that tied them to the past -- or the grand adventure that lay before them.
