### Book Synopsis:

Keaton Bridge is exactly the kind of guy a straight-arrow like Cassie doesn't need. For one thing, he's a criminal—and she fights crime for a living. And being criminally handsome isn't helping her say no, either. Everything about him screams trouble, from his British accent to his mysterious past. And Cassie doesn't do trouble. Keaton's got his own trouble. He's trying to go legit, and an FBI agent hanging around is the last thing that will help his credibility. All it took was one night of passion to sear her into his skin. Now he can't imagine living happily ever after without her. All they have to do is walk away. But neither of them ever walks away from danger.
