### Book Synopsis:

I'm a good person. At least I try to be. After my husband left me, I picked up the pieces of my broken heart and tried to move on. One shattered piece at a time. Just when I thought things were looking up, that I had suffered enough at the hands of fate, my past came back with nothing to lose and a blade that cut...deep. Figuratively and physically scarred, I had nothing left to hold on to. That's when Clayton Hart entered my world. With his blue eyes, spikey blond hair, and a body packed with muscles, I never stood a chance. Clayton pushed his way into my life, my bed, and my heart, proving that only the truest love can be limitless.
