### Book Synopsis:

The Drakes are rather different to your usual neighbors. They are vampires and some of the members of the family date back to the twelfth century. One of the children, Solange, is the only born female vampire known and, as such, she poses a direct threat to the vampire queen. Her best friend Lucy is human, and when Solange is kidnapped, Lucy and Solange's brother, Nicholas, set out to save her. Lucy soon discovers that she would like to be more than just friends with Nicholas. But how does one go about dating a vampire? Meanwhile, Solange finds an unlikely ally in Kieran, a vampire slayer on the hunt for his father's killer.
