### Book Synopsis:

A ruffian thief, Coin, unwittingly inherits a kingdom; and the throne, power, and the danger that come with it. For as long as she can remember, Coin has been Nameless—she has no name, no legal status and no rights in her city. Then she one day wakes up and discovers that she has impossibly been named the successor to her city-state's throne, forcing her to search for her true identity, and fast. If she succeeds, the city's royals will fit her for a crown, but if she fails, they'll fit her for a noose instead. Part RED QUEEN, part DIVERGENT
