## Book Synopsis:

Lady Elyssa Yamato Amaterasu Wentworth is a centuries-old vampire who's been given a new servant - Jacob, a total alpha male unaccustomed to submitting to any woman's wishes. What really binds Jacob to her are not her sensual midnight hungers, but something far more provocative. It stirs her blood, renews her life, and awakens her soul like only true love can. The passion between Elyssa and Jacob yields something else unexpected - a shared history that reaches back through the centuries and is fated to challenge their destiny like nothing ever will again.
