Book Synopsis:

Now that her mask has finally slipped... Ginny O'Toole has spent a lifetime repaying her family's debt, and she's finally at the end of her servitude with one last job. Of course, it couldn't be easy. After stealing the computer files that will free her once and for all, she finds herself on the run from a pissed off vampire who has never fallen for her helpless act. A deadly predator too sexy for his own good. If he doesn't knock it off, he's going to see just how powerful she can really be. He won't be satisfied until she's completely bare. Theo Reese had been more than irritated at the beautiful yet helpless witch he'd known a century ago, thinking she was just useless fluff who enjoyed messing with men's heads. The second he discovers she's a ruthless thief determined to bring down his family, his blood burns and his interest peaks, sending his true nature into hunting mode. When he finds her, and he will, she'll understand the real meaning of helpless.
