Book Synopsis:

When Alicia, a talented violinist at Riley Donovan's high school, is found bludgeoned to death in a field on the outskirts of town, suspicion immediately falls on Carrie, the teen's musical rival. But Riley isn't convinced of Carrie's guilt, and even though her police-officer aunt tells her to stay out of it, Riley goes searching for the truth. Did Carrie really kill Alicia in a fit of jealous rage, or is there another explanation for Alicia's death?
