Book Synopsis:

Beneath the orbit of the tri-moon dusk, a world sets unbalanced between good and evil. Each being fears the loss of their soul as one mysterious creature hunts the Alpha of each tribe in order to possess the entire colony. Unaware of her royal warrior lineage, wingless Livian struggles with the unaccepted gnarling of her genetic roots and the questionings of her own twisted purpose of life, while keeping her existence unknown to the soul possessing hunter. Her destiny holds the decided fate of the world and the battle begins within her own soul before the first slash of bloodshed.
