Book Synopsis:

April 1986. The Cold War is nearly over.Or is it?Wealthy business mogul Tobias Keane is dead in an apparent suicide. Ethan Tannor, a detective on the scene and nephew of Keane, suspects something else. In his effort to prove his uncle was murdered, Ethan discovers there was more to Tobias's past than he initially thought.All roads point to an impending hostile takeover of the United States as Ethan finds himself in the center of something he can't explain. Political agendas headed by a shadowy leader, and an evil force tipping the balance of power bring him face to face with things beyond the realm of belief and possibility.When the lines of reality and fiction become blurred, Ethan embarks on the near impossible task of reshaping the world. If he fails, the battleground will be America, with new territory lines carved across the map as the victor stakes their claim.But Ethan is determined to end it where it all began: April 1986. **Language and violence*
