Book Synopsis:

Kit Connor has always led a safe, cautious life. But when her friend points out that her erotic writing lacks something, she decides to attend a Sexual Healing group to improve her knowledge. Kit expects to find the gritty underbelly of sex, and instead finds louche, laidback, sex-loving Dillon Holt. He makes a suggestion to her: that he will tell tales of his sexual excess, and help her book get the realism it needs. She agrees, but hasn't the least idea of what she's getting into. Dillon doesn't have simple advice in mind ... he has lessons to teach her. Lessons on everything she's never dared to experience, from kink to real passion. Now Kit is never sure: is Dillon the addict, or is she just addicted to him?
