Book Synopsis:

*Jay*My life was a dark and desolate place. Consumed by work and full of regret, loneliness had become my closest friend. Ink and a tattoo machine were my therapy, a way to claim my own skin with the art that I loved. The day I walked into her shop, I knew I'd found what I needed.The light I'd been looking for..*Jade*When I first looked into those blue eyes I saw a depth behind them that I wanted to explore. Jason "Jay" Clarke was more than a perfectly pressed suit and dimpled smile. He was a man with a heart of gold drowning in the weight of his world.He wanted me to mark him.I never expected him to soothe my aching heart.When our worlds collide and Jay begins to fall apart, will my love be enough to save him? **WARNING: Not recommended for younger readers due to sexual content and language.
