Book Synopsis:

Isaac Mayfair is hiding a dark secret. And just when Adria Dawson thinks the worst of her life among the werewolf world is over, she learns the secret that can rip her and Isaac's love apart. Adria must come to terms with what the truth means for her. What it means for her life and how much time she has left to live it. She must choose between two different fates, neither of which can offer life as a certainty. As if Isaac's betrayal isn't enough, Adria learns that there are things out there older and more powerful than werewolves could ever be. An archaic entity known only to few as the Prayerian, unlike anything Adria has ever known or heard of. As Adria struggles with her own fateful dilemmas, she must also try to find out why the Prayerian is so interested in her and do everything in her power to stay out of its way. **Due to MATURE YA content, this book is recommended for 17+.**
