Book Synopsis:

One woman's campaign to win the hearts of the two men she loves. Jasmine left the Sweetwater Ranch and the Morgan brothers, no longer able to bear the painful dilemma of loving them both. After a year away, in which she gains new perspective, she returns home with one goal. To make Seth and Zane Morgan hers. Jaz may have left an innocent girl, but she's returned a beautiful, sensual woman. Seth and Zane aren't prepared for the full-on assault she launches and each battles an attraction they've fought for years. She wants them both, but Seth has no intention of sharing his woman. It's up to her to change his mind because she can't and won't choose between two men she loves with equal passion. For her, it's all or nothing.
