### Book Synopsis:

**\*\*Readers' Favorite Five Star Review Recipient\*\***“Always protect your queen.”Ever since the outbreak of the Plague, life hasn’t been easy, and for seventeen-year-old Alice Carroll, it just got worse. Her sister, Dinah, has contracted the ‘un-deadly’ Momerath Virus and without a cure, will soon be worse than dead. She’ll be momerath.Alice must leave the safety of the Sector and venture into Momerath Territory to find the antidote - if it exists. Chasing a rumor about a mysterious doctor with the cure, Alice falls down the rabbit hole into Wanderland, where ravenous momerath aren’t the only danger lurking.
