Book Synopsis:

For months, shy drummer Jinx Hardwick has been silently crushing on her tall, dark, and scary bandmate, Toombs Badcock. Drawn to his frightening ink and scars, she yearns to uncover the shadowy secrets lurking behind his silver eyes, but Jinx is too intimidated to even look at him, let alone talk to him. When she stumbles upon Toombs and their manipulative lead guitarist Rax in a compromising position, Jinx realizes her chances of winning Toombs's heart aren't just a long shot—they're nonexistent. To make matters worse, Jinx's family needs her at home. She's about to back away from it all—Toombs, the band, her dreams of fame and fortune—when Rax makes her an offer she can't refuse: a no-holds-barred night alone with Toombs. There's one small catch. She has to go through Rax to get it.
