Book Synopsis:

Sara Grey is done hiding and done being afraid. The Master thinks he has her running scared, but she's taking matters into her own hands and taking her life back. With the help of her friends, she sets out to find the one person who can answer her questions about her past, and who may be able to lead them to the Master. On her journey, Sara faces new challenges and dangers, and learns that the world of good and evil is not as clear cut as she had believed. She makes new friends, unexpected allies, and reconnects with people from her past. As her powers continue to change and grow, she transforms from a struggling girl into a strong young warrior. But at what cost? How much is Sara willing to sacrifice in her need for independence and her quest for the truth? And will her newfound strength be enough to save her and the people she loves when she finally comes face-to-face with her powerful nemesis? Nothing could have prepared her for what is to come, and it will take everything in her to survive the final test of courage and love.
