### Book Synopsis:

Trudy has betrayed her husband, John. She's still in the marital home a dilapidated, priceless London townhouse but John's not here. Instead, she's with his brother, the profoundly banal Claude, and the two of them have a plan. But there is a witness to their plot: the inquisitive, nine-month old resident of Trudy's womb. Told from a perspective unlike any other, *Nutshell* is a classic tale of murder and deceit from one of the world's master storytellers.
