Book Synopsis:

In the continuing, appalling tales of the Baudelaire siblings, the children are on the run having been falsely accused of murder, so they hide in the carnival, as part of Madame Lulu's House of Freaks. Ages 9+Everybody loves a carnival! Who can fail to delight in the colorful people, the unworldly spectacle, the fabulous freaks? A carnival is a place for good family fun, as long as one has a family, that is. For the Baudelaire orphans, their time at a carnival turns out to be yet another episode in a now unbearable series of unfortunate events. In fact, in this appalling ninth installment in Lemony Snicket's serial, the siblings must confront a terrible lie, an ambidextrous person, a caravan, and Chabo the wolf baby.
