### Book Synopsis:

Through a series of flash poetry/non-fiction pieces, Sennah Yee's debut full-length book *How Do I Look?* paints a colourful portrait of a woman both raised and repelled by the media. With pithy, razor-sharp prose, Sennah dissects and reassembles pop culture through personal anecdotes, crafting a love-hate letter to the media and the microaggressions that have shaped how she sees herself and the world. *How Do I Look?* is a raw and vulnerable reflection on identities real and imagined.
