Book Synopsis:

Move over Mad Max?here comes Nyx.Ex-government assassin turned bounty-hunter, Nyx, is good at solving other people's problems. Her favorite problem-solving solution is punching people in the face. Then maybe chopping off some heads. Hey?it's a living.Her disreputable reputation has been well earned. To Nyx's mind, it's also justified. After all, she's trying to navigate an apocalyptic world full of giant bugs, contaminated deserts, scheming magicians, and a centuries-long war that's consuming her future. Managing her ragtag squad of misfits has required a lot of morally-gray choices. Every new job is another day alive. Every new mission is another step toward changing a hellish future?but only if she can survive.
