### Book Synopsis:

Fresh out of college, Ellison Edson has fallen through the cracks of rock bottom. While staying in her family's vacation home in Colorado, her behavior has finally gained the attention of her parents—but not in the way she hoped. Cut off from the millions she's always taken for granted, and left alone to fend for herself, Ellie spirals further out of control, making a mistake she can't take back. Like his twin brother Taylor, Tyler Maddox is a member of the Alpine Hotshots, fighting wildland fires on the frontline. As arrogant as he is charming, Tyler's nomadic lifestyle makes it easy to contain his relationships to one night. When he meets Ellie at a local party during off-season, her extreme personality and dismissive attitude fascinates him at first, but as his feelings deepen, Tyler realizes that the crippling inner demons of the woman he loves might be the strongest enemy any Maddox has ever faced.
