

## READ Amelia's Destiny (Amelia Series, #2) by D.G. Torrens [KINDLE]

### Book Synopsis:

Amelia's Destiny continues where Amelia's Story left off. I recommend you read book one first. Amelia is now a teenager she finds herself all alone in the big world. After years of rejection and being let down by the very people that were trusted to take care of her, Amelia is beginning to realize that her struggles are not yet over. With a different set of obstacles placed in her path to overcome, she wonders if she will ever full-fill her dreams? Will she ever see her brother Jake again? The most shocking revelations of Amelia's life are lingering in her future. Just when she thinks she is on the road to independence and happiness, Amelia's world is turned upside down, which brings on a visit from her nemesis. Constantly trying to keep her nemesis at bay, tired of always fighting so hard, Amelia has to use all the will power she has to stay strong.
