### Book Synopsis:

Everyone says hotshot goalie Luke Jackson is God’s gift to girls, but the only girl he wants is his best friend, Malina Hall. He’s always known how brilliant she is, but now that he’s “accidentally” kissed her, he can’t stop thinking about her...or wanting to kiss her again. Problem is, things have been a little...awkward since the kiss. Because she likes him, too? Hopefully, but even if she did, their futures—and the ridiculous schedules that come with them—are in the way. And now one of his teammates is showing interest, and the guy has more in common with Malina than Jackson ever will. As her best friend, Jackson should get out of the way. But if there’s one thing he’s learned from hockey, it’s that you have to go for what you want, even if it means falling flat on your face. And he’s definitely falling for Malina. Disclaimer: This book contains a hot hockey player who goes after what he wants, a super-hot, super-distracting shirtless workout, and the kind of best friends to lovers romance every girl in the friend zone has dreamed of.
