Book Synopsis:

What would happen if a top expert with more than thirty years of leadership experience were willing to distill everything he had learned about leadership into a handful of life-changing principles just for you? It would change your life. John C. Maxwell has done exactly that in *The 21 Irrefutable Laws of Leadership*. He has combined insights learned from his thirty-plus years of leadership successes and mistakes with observations from the worlds of business, politics, sports, religion, and military conflict. The result is a revealing study of leadership delivered as only a communicator like Maxwell can.
