Book Synopsis:

When Marie Costa traveled to the Palace Moon Resort to attend a party with some Internet friends, what should have been a fun and exciting evening turned into a night of terror that would change her life forever. Ema Arius's spine-tingling and romantic novel, *Pravus*, is the story of a young woman threatened and yet somehow charmed by the magical, nefarious being, Damian. As he destroys her friends and loved ones with his dark powers, he seems to exhibit a strange compassion only for Marie. Overwhelmed by the depth of his passion, she inexplicably and paradoxically becomes drawn to him, forsaking everything and everyone she once knew. But when Marie learns Damian's secret, will she be able to live with her choice? Will she ever be able to return to the world she left behind? Find out in Ema Arius's chilling romance, *Pravus*.
