Book Synopsis:

For fans of Nicola Yoon's *Everything, Everything*, Emery Lord's *When We Collided*, and Rainbow Rowell's *Fangirl*, Anna Priemaza's debut novel is a heartwarming and achingly real story of finding a friend, being a fan, and defining your place in a difficult world. Kat and Meg couldn't be more different. Kat's anxiety makes it hard for her to talk to people. Meg hates being alone, but her ADHD keeps pushing people away. But when the two girls are thrown together for a year-long science project, they discover they do have one thing in common: They're both obsessed with the same online gaming star and his hilarious videos. It might be the beginning of a beautiful friendship—if they don't kill each other first. **"*Kat and Meg Conquer the World* will hit home for anyone who has ever been waist-deep in fandom, doubt, or new relationships; Kat's and Meg's unique voices are outstanding, and their friendship brings this story to vibrant life."**—Francesca Zappia, author of *Made You Up* and *Eliza and Her Monsters*
