Book Synopsis:

Breena, the beautiful half fairy, half human princess from Oregon, has ascended to her rightful place in Feyland, as Queen of the Summer Kingdom. Being Queen isn't at all what she expected. Now the weight of Feyland falls heavily on her shoulders. The landscape of Feyland is scattered with the silver blood of fairies, turning the once whitish blue frost of the Winter Kingdom to silver frost, and danger lurks everywhere including within her own court. Secretly in love with her intended Winter Prince Kian, now Breena is faced with the realization of war, and the possibility of Kian as her greatest enemy. To help her navigate through the politics within her court and Feyland, help comes in the form of an old friend. Before she knows it, Breena's heart is torn between two loves, just as torn as Feyland. The fate of Feyland depends on her choices, can she make the right ones even if it means turning away from her love forever? Age 14+Contains mild language and some steamy kissing suitable for teens and young adults.
