Book Synopsis:

Men and women see the world differently, as do dominants and submissives. A Condo With Two Views is told from two perspectives: Jack's and Chloe's. Jack is a loving and protective husband, but with a kinky penchant for sharing his willing wife. Chloe is smart and strikingly beautiful, and obeys every command from her husband, no matter how perverse. Each gives their view of the story: one where Chloe must submit to a grungy caretaker, a sexy lesbian couple, an evil developer, an older sadist, and the list goes on. But, what happens when she's pushed too far? Is the deep love of a husband and wife more powerful than the bond of a dominant and submissive? What will win out, love or bdsm?
